PETITION TO REVIVE AN ABANDONED PATENT APPLICATION  
UNDER 37 C.F.R. 1.137(b)

Mail Stop  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

Petitioner hereby petitions the U.S. Patent Office to revive the above-identified patent application under Title 37 C.F.R., Section 1.137(b) on the grounds that the abandonment was unintentional.

The applicant also states that he had no intention whatsoever to abandon this application.

The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. 1.137(b) was unintentional. The applicant has, however,

submitted a proposed response to the last Office Action, dated September 14, 2004.

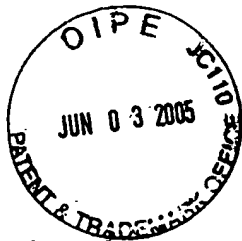

The applicant is also herewith submitting the required petition fee based on a small entity status. Inasmuch as this application was filed on or after June 8, 1995, no terminal disclaimer is required. The entire delay in filing the required reply from the due date of December 12, 2004 and the last extendable day for filing a response of March 12, 2005 until the filing of a grantable petition under 37 C.F.R. 1.137(b) was unintentional.

Dated: May 31, 2005

Respectfully submitted,

  
\_\_\_\_\_  
ROBERT J. SCHAAP
